Important Note

The code provided by the system is for reference only. Please fill in the HS code according to the Harmonized Commodity Description and Coding System developed by the destinations' relevant authority.

Enter a Harmonized System Code (HS code) in 6, 8 or 10 digits in the HS code field. The required Harmonized System Code (HS code) format for customs clearance varies among destiantions and is subject to the inspection of the local customs. Provision of HS code is not required when posting documents.

Details of destinations' posting requirements, prohibited and restricted items.

Posting of dangerous articles or articles that could not be ascertained as non-dangerous is not acceptable. Guidance on Posting

+ Additional Information (if any)

Enter the customs declaration information, then click "Continue".
